

CULTURAL & ACADEMIC PREPARATION PROGRAMME

*UK Boarding School Experience
plus English Language & Academic Programme*

Belong + Believe = Achieve

The Culture & Academic Preparation (CAP) programme prepares international students for cultural, academic and social success in a British boarding school environment.

It is ideal for students aged 15 wanting a boarding school experience to develop their language and academic skills over 1, 2 or 3 terms, possibly with the intention of studying at Sixth Form in the UK.

Students will be fully welcomed into the Christ College Brecon 'family'. They will be supported by a team of dedicated teachers who will help them grow academically, personally and socially within the Christ College community so they can get the most out of their experience.

The Academic Programme

The programme introduces students to the UK curriculum, developing their academic skills and content knowledge. Language fluency is taught in specialist EAL classes, developed through specialist subjects and mastered by total immersion in school life.

Alongside English Language classes students will study Maths, The Sciences, Humanities, and the Creative Arts.

The Boarding School Experience

International students live alongside Christ College Brecon students in the school's boarding houses. We have two Senior Boys' Houses: Orchard House and School House, and two Senior Girls' Houses: Donaldsons House and deWinton House.

Pupils will be able to take full advantage of the school's activity programme offering sport, adventure and the Arts as well as cultural trips around the UK and Europe.
